What is **Great Awakening IV**?

Spiritual darkness is not new to America. In prior days, great testings and impending calamity have resulted in three generations turning back to God. He has never ignored the call. GA IV believes He is poised to respond yet again.

GA IV's Mission Statement is as follows:

"If my people, which are called by My name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." II Chronicles 7:14

We believe Christ, working through His people, is America's greatest hope.

GA IV is a Christ centered, non-sectarian movement. We invite all Christians to unite in our common belief that Jesus Christ is America's last bastion of hope.

GREAT AWAKENING IV will Encourage, Enlighten, and Inspire. Speakers will discuss where America came from, how she got to her present moment, and God's call for her future.

Topics will cover:

- ▲ The work of God in the hearts of His people
- ▲ America's Christian heritage
- ▲ Christianity's historical basis for American Law and Liberty
- ▲ The blessings of Christ upon a people, society, and country
- ▲ Where do we go from here to restore America?
- ▲ The Forefathers Monument

Plymouth

In 1620, one hundred twenty Pilgrims set out on a perilous journey from England to the New World and arrived in what is now Plymouth, MA. Unlike Jamestown, the Pilgrims did not come under the authority of England to establish a new business enterprise. They came for religious freedom to start a new way of life, and to honor their Lord & Savior; Christ Jesus. Upon this foundation arose the greatest country the world has ever known, America.

Plymouth Massachusetts is likened to America's Jerusalem, the place where our first settlers consecrated this land to God and set forth a blessing on America that continues to inspire us today. Plymouth also offers a road map back to the values and principles our country desperately needs to sustain our God-given liberties.

GREAT AWAKENING IV purposes to refresh God's people and stand for the Christian values that built America. God, through a fourth Great Awakening, will once again restore our nation.
